

WHICH GARMENT DO YOU LOVE THE MOST?

We all have a special piece of clothing that we wish would last forever.

It usually has something that makes it very special.

We want to know all about your favourite garment, and we invite you to take care of all your clothing the same way you take care of this one!

DRAW YOUR FAVOURITE GARMENT AND WHAT IT WOULD SAY

My garment is special because:

- I love its color or pattern
- Someone special gave it to me
- Its fabric is very soft
- I look great when I wear it!
- It's very practical and functional
- It's the garment I use the most
